

Ribeira Seca Deaths 1644-1698

Number	DoD	Name	Age	d/m/y	s/d/c/v	Father/Spouse	Mother	Native of	Comments
The early pages of this book are damaged very badly and are mostly unreadable. Starting at #0012, the priest began to re-enter deaths. I have entered both pages together where he duplicated names/dates so as to not repeat and confuse this record.									
There will be dates out of order. This is intentional as it appears the priest was trying to reconstruct deaths from the damaged parts. Key: s: son / d: daughter / c: married to / v: widowed
